

# Introducing the New *RISE* Platform!

Roadmap for Improving Seafood Ethics

## Why Use the New RISE Platform?

The Roadmap for Improving Seafood Ethics (RISE) is a free, online resource developed by FishWise to help companies navigate social responsibility challenges and create the conditions for decent work across the seafood industry. FishWise is currently updating the RISE platform. The full website, human rights due diligence guidance, and training resources will be released in Fall 2025.

### Key Features – Now Live!

- ✓ Easier Navigation
- ✓ Revised Roadmap
- ✓ Improved Guidance
- ✓ FREE tools and resources
- ✓ Introductory webinar coming in Fall 2025
